Product Description

Heavy-duty parts and components of 6 tonnes capacity

Refined & Redefining

GOODSENSE 6 ton diesel side loader forklift is a real packhorse. The forklift features a refined chassis, EU Stage II ISUZU engine (82.4kW at 2,000rpm), excellent ergonomic cabin and control levers, offering the highest levels of durability, productive forces and control in the market.

Responsible & strong

EU Stage II ISUZU diesel engine

Control levers

Key Features

SUSTAINED DESIGN

All GOODSENSE sideloaders are built to last. Changes have been made to improve efficiency and pressure flow. The result is a more durable design, fully compliant with emissions regulations and yet with more sensitive control via hydraulic system.

AUTO STABILIZING SYSTEM

Once the platform is fixed in the horizontal position, the load remains stable even on uneven ground.

The Range: Mid-Sized, Heavy Duty

Our most popular sideloaders are most advanced, performing majestically over long shifts and greater distances.

GOODSENSE 6 ton diesel side loader forklift offers refined ergonomic cabin, control levers and the highest levels of durability & control in the market.
